A Free Prescription You Can Have Filled and Use at Home

Do you wear glasses? Are you a victim of eye-strain or other eye-weaknesses? If so, you will be glad to know that there is real hope for you. Many whose eyes were falling, say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind: could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says. "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything saems clear. seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of of the last annual meets ever getting glasses. Fill a two cunce bottle with warm water, a two ounce bottle with warm water, drop in one Optona tablet and allow to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. Now that Parisian Sage—a scientific preparation that supplies hair and scalp needs—can be had at any drug or toilet counter, it is certainly needless to have thin, brittle, matted, stringy or faded hair. No matter how unsightly the hair, how badly it is failing, or how much dandruff, just spend a few minutes each day for a week and rub a little Parisian Sage into the scalp and through the hair. All dandruff is removed with one application, the hair roots are nourished and stimulated to grow new hair, itching scalp and falling hair cease—your head feels fine. Best of all, the hair becomes soft, fluffy, abundant and radiant with life and beauty.

Parisian Sage is one of the most pleasant, invigorating and refreshing hair tenics. No cheap perfumery odor—no disagreeable concections—but a dainty perfumed tea-colored liquid that proves its goodness the first time it is used.

You will be surprised and delighted with Parisian Sage. Try at least one fifty cent hottle. Lee & Osgood Co. will refund the purchase price if you are not satisfied.
